Change Your World with the Four D's of Success!

Linda L. Smith

- Award-Winning Entrepreneur
- Founder of Four-D College
- Inspirational Speaker
- Author of *Business By Faith*

When Linda L. Smith opened Four-D College in 1992, she had no idea that the very foundation upon which she established her dream would be tested in every corner of her personal and professional life. Overcoming the challenges of shady business partners, shattered family relationships, discrimination, and much more, ignited an aspiration in her to share the Four D's of Success that kept Linda sane, centered, and eventually extremely successful.

Today, Linda is a captivating speaker and author who inspires, challenges, and empowers audiences nationwide with her own soul-stirring stories, thought-provoking messages and her Four D's of Success teaching you how to lead your company to success; Filip Westlander, President Alpha Beta Gamma, OCC, would agree: "We are a business honor society at Orange Coast College, constantly seeking influential speakers like Linda. We have in the past welcomed various guest speakers to our campus, but few could give such valuable insight in running a successful business as Linda L. Smith. Linda is truly an admirable person delivering contagious energy to her surroundings. Her remarkable life story and work ethic amazed us as we have had many great discussions about her after the visit. During Q/A, we gained knowledge about business from Linda that even Google has been unable to give us. Awareness of Linda's aspects and values of life will change the way you look at things and help you reach your goal."
